CALIFORNIA STATE AMATEUR MMA RANKINGS

RANKINGS AS OF APRIL 30, 2012

POWERED BY: FIGHT MATRIX

The California state amateur MMA rankings (“Rankings”) are provided by an independent third party company: Fight Matrix (www.fightmatrix.com). CAMO has no control over the rankings and simply publishes the rankings it receives from Fight Matrix. The Rankings are computer generated by a proprietary algorithm which does not have any human involvement. Although CAMO welcomes comments and suggestions, independent third party rankings are not subject to appeals. The monthly rankings consider only fighters who are currently licensed and

registered (“Active”) with the California Amateur Mixed Martial Arts Organization, Inc. (“CAMO”). Any fighter whose license is expired or otherwise inactive will not be considered for the monthly Rankings.

ABOUT RANKINGS

Wins: wins, especially against quality opponents, strongly influence the rankings.

Strength of Schedule: bouts against more difficult opponents are weighted more than bouts against less difficult opponents.

Finishes: finishing a fight (TKO, KO, Submission, etc.) before time elapses will be receive more weight than a fight that goes to the scorecards.

Weight Class: the weight class where you are ranked is according to the weight class of your last fight. Changing weight classes will affect your ranking in the respective weight class.

Title Fights: the California State Championship title is given more weight than any other individual bout.

Leave of Absence: fighters that do not compete for more than a year will negatively influence their ranking upon re-activation.
